MEMORANDUM FOR: Director of Central Intelligence

THROUGH : Director, National Foreign Assessment Center
Deputy Director of Central Intelligence

FROM : Associate Coordinator for Academic Relations
and External Analytical Support, NFAC

SUBJECT : Meeting with University Presidents

1. Action Requested: Signature on the attached letters to three university presidents inviting them to the Agency for a day of discussions and briefings on 26 October.

2. Background: The letter is similar to that sent to the other university presidents. The following names were approved for the March get-together, but no invitation was ever sent:

Theodore Hesburgh
Frederick Davison
Dallin H. Oaks

University of Notre Dame
University of Georgia
Brigham Young University

(See attachment for bio sketches)

3. Mr. Bowie has suggested that we increase the size of our group. He feels that the time and effort expended would be better justified if "eight but at least six" were to attend. It seems unlikely that we will be able to expand our group above the four or five for this get-together. There is not sufficient time to compose a new list of college presidents, run a preliminary security check, send new invitations, and expect the invitees to be able to make the 26 October meeting.

SUBJECT: Meeting with University Presidents

4. Four university presidents have already accepted our invitation for 26 October. They are:

Wesley Posvar
Josiah Bunting
William Edward Lavery
H. Edwin Young

University of Pittsburgh
Hampden-Sydney College
Virginia Polytechnic Institute
University of Wisconsin

Theodore Friend, Swarthmore, is a possible. He is trying to rearrange his schedule and will get back to us later this week. The four who have accepted are highly articulate and energetic and at least two you already know. I believe a full day's program with them would be a great success.

5. The tentative program is similar to those previously run. The only major difference is in the time. We are starting one hour later because most of our guests will be arriving in the area the morning of 26 October.

6. Actions Recommended:

a. That you sign the letters to the three university presidents.

b. That you indicate your concurrence with the arrangements proposed for handling the third university presidents visit.
